

**SHORT SIZING & GARMENT MEASUREMENTS**

**FIT DESCRIPTION**

- The shorts are a slim fit.
- We make half sizes so you get the perfect fit.
- Please refer to the photos displayed on the website for the fit.
- The shorts are pre-shrunk so they will relax out a touch after a couple of hours of wear.

**MEASUREMENTS**

- Use a similar garment of your own compare these measurements to.

**MEASURE GUIDE**

- Here are some guides and tips on how the measurements are taken and compare these to your own garment for a great fit.

**WAIST**

Measure the total length from the centre of the main button around the inside of the waistband to the main button hole.

**RISE**

Measure along the fly from the seam at the centre of the crutch of the shorts up to the top of the waistband.

**OUTSIDE LEG**

Measure from the top of the waistband along the outside leg seam to the shorts hem.

**INSIDE LEG**

Measure along the inside leg from the seam at the centre of the crutch of the shorts, down to the shorts hem.

**LEG OPENING**

With the legs flat, measure across the hem of the shorts & double to find the measurement
